
Superstar Glitter

1. Chemical product and company identification.

Description: Glitter Powder

Product type: Glitter

Application: Glitter powder is suitable for cosmetics

Supplier,

Company name: Superstar B.V.

Company address: Florijnstraat 12, 4903 RM, Oosterhout, The Netherlands

Telephone: +31162457400

Poison control centre: Tel. +31(0)9000388 (The Netherlands)

2. Composition, information on ingredients.

Ingredients:

Polyethylene Terephthalate, Surface Binder, CI 73915, CI 21108, CI 74160, CI 74260, CI 73312, CI 77891, CI 77266, CI 51319, CI 77000.

3. Hazards identification.

Classification of the substance or mixture: This substance is not classified as dangerous.

Other hazards: None.

4. First Aid Measures.

INGESTION: Not expected to require first aid measures. If large amounts are swallowed, rinse mouth thoroughly and drink plenty of water and get medical advice.

INHALATION: Exposure is considered unlikely. Due to product form/ nature of use, an inhalation hazard is not anticipated

SKIN: If an irritation or rash develops, gently flush affected areas with water and discontinue use.

EYES: Immediately flush eyes with plenty of water. If eye irritation persists, see physician.

5. Fire Fighting Measures.

Auto-ignition Temperature: Will not occur

Upper / Lower Flammable limits: Not available

Upper / Lower Explosive limits: Not available

Flash Point: Not a combustible material

Suitable Extinguishing Media: Not applicable

HMIS Hazard Classification: Non allocated

6. Accidental Release Measures.

Protective Measures: Children under 6 years should use with adult supervision. Keep away from spill or leak.

7. Handling and Storage.

7.1 Handling.

Before use carefully read the product label. Use of safe work practises are recommended to avoid eye or skin contact and inhalation. Observe good personal hygiene. Prohibit eating, drinking and smoking in contaminated areas. Keep away from sources of ignition.

7.2 Storage.

Store in a dark, cool, dry place.

7.3 Specific end uses

No information provided.

8. Exposure Controls / Personal Protection.

8.1 Exposure Controls.

No precautions are normally required when handling this product. Maintain vapour levels below the recommended exposure standard

8.2 Personal Protection.

Not required under normal conditions of use.

8.3 Exposure Guidelines.

None established.

9. Physical and Chemical Properties.

Typical properties

Appearance:

Glitter particles in hexagonal shape

Flammability:

not flammable

Physical state:

Solid

Boiling point:

Cannot be measured as decomposition occurs first

Melting point:

235 - 290°C

Solubility in water:

Insoluble in water

Vapour pressure:

To be disregarded

Risk of explosion:

Possible dust- or decomposition gas explosion

Lower explosion limit:

not relevant

10. Stability and Reactivity.

Normally Stable.

10.1 Reactivity.

Carefully review all information provided in sections 10.2 to 10.6

10.2 Chemical stability.

Stable under recommended conditions of storage

10.3 Possibility of hazardous reactions.

Polymerization will not occur

10.4 Conditions to avoid.

Avoid heat, sparks, open fire and other ignition sources.

10.5 Incompatible materials.

Compatible with most commonly used materials.

10.6 Hazardous decomposition products.

May evolve toxic gases if heated to decomposition.

Other Hazards:

None

11. Toxicological Information.

There is no data available on the preparation itself.

12. Ecological Information.

Ecological respectively ecotoxicological data is not available.

According to our knowledge, the product does not cause any damages to the environment, if proper handled and the product has been applied as intended.

Material Safety Datasheet

According to regulation EU 1223/2009/EG

According to regulation CE EN-71

13. Disposal Consideration.

Waste disposal method: Observe all federal, state and local regulation for disposing of this substance.

14. Transport Information.

14.1 US: Department of Transportation. (DOT)

The data provided in the section is for information only and may not be specific for your package size. You will need to apply to the appropriate regulators to properly classify your shipment for transportation. NOT REGULATED - NON HAZARDOUS FOR TRANSPORT. Not regulated, not dangerous, not hazardous, not restricted for transport by IATA

14.2 Canadian Transportation of Dangerous Goods.

NOT REGULATED

15. Regulatory Information (Selected Regulations).

15.1 EU regulation.

None in accordance to the EU Directive 67/548/EEC (substance directive), 1999/45/EC (dangerous preparation directive) or in accordance to any other known EU regulations.

16. Other Information.

The information and recommendations contained herein are believed to be accurate and given in good faith. We make no warranty, either express or implied, including fitness and merchantability. Users should consider this data only as a supplement to other information available from all sources, and should incorporate these into programs for the proper use and disposal of these materials and the health and safety of employees and customers.
